Detailed Action

1. Claims 10, 19, 25, 31, 39 are rejected under 35 USC 112, first paragraph, because the specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to use the invention, because the specification does not provide evidence that the claimed biological materials are (1) known and readily available to the public; (2) reproducible from the written description.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Response to Arguments

The following is responsive to Applicant's amendment received Oct. 24, 2003.

No claims are cancelled. No new claims are added. Claims 1-40 are currently pending.

The rejection of claims 10, 19, 25, 31 and 39 under 35 USC 112, paragraph 1 is maintained since a copy of the email confirming the deposit of monoclonal antibody 26-10 has not been received. Furthermore, it is not clear from Applicant's remarks whether the deposit was made after the application was filed. Applicant is respectfully reminded that proper certification of such a deposit must be made. Applicant is respectfully referred to pages 3-5 of the office action mailed April 24, 2001 for proper certification procedures and necessary amendments to satisfy 35 USC 112, paragraph 1.

Conclusion

Claims 10, 19, 25, 31, 39 stand rejected.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
